June 2010 - June 2022

TECHNICAL SKILLS

HTML, CSS, JavaScript, React

PROJECTS

PlateShare

February 2025

developer | Team Size: 3

React ,node js firebase

- PlateShare is a platform that connects food donors—like restaurants, stores, and individuals—with people in need. Donors can list surplus food with details like name, quantity, and expiry date, while recipients can browse and claim what they need for free. This helps reduce food waste and supports communities in a simple and effective way.

CERTIFICATIONS

- Completed a workshop on **Game Development using Unity** organized by the **Game Development Club of Model Engineering College, Thrikkakkara**, in association with **ZETREL**
